4. [] Handcarried to Dorothy Fosdick, Senate Subcommittee on National Security and International Operations staff, a paper prepared in the Office of the DD/I on the situation in the Middle East. This was prepared in response to Miss Fosdick's request on behalf of Senator Henry M. Jackson on Saturday. The Senator plans to make a speech on this subject tomorrow. Certain caveats were given Miss Fosdick concerning the use of this material which she fully understood and agreed to. She commented that Senator Jackson would be talking on this subject from time to time and would find our paper a most useful and informative document.
